Employment Background

Head of Maintenance - Laycate Food Corps (Kap's Tapsi)

January 2019 – June 2022 | Abangan Sur, Marilao, Bulacan

- Supervised staff and assigned daily tasks and responsibilities.
- Created wiring plans, performed electrical load computations, and developed layout drawings for new projects.
- Researched, developed, and implemented innovative ideas to modernize and upgrade existing devices and equipment.
- Inspected buildings, equipment, and systems to identify issues.
- Examined electrical/electronic wiring, devices, motors, and data cables.
- Repaired faulty tools, units, and equipment to resolve damage or malfunction issues.
- Conducted periodic quality checks on equipment and systems.
- Planned and scheduled repairs.
- Performed both general and preventive maintenance tasks.
- Assisted in developing and implementing the maintenance department's budget.
- Maintained inventory records of equipment and supplies.

Operations Manager - Shao King Ltd Corp.

March 1998 – July 2015 | San Jose, Plaridel, Bulacan

- Managed company paperwork, inventories, audits, accounting, permits, bill payments, human resources, and overall planning.
- Oversaw resort and hotel operations.
- Supervised routine maintenance work and related tasks.
- Conducted research and development for innovative projects.
- Handled import/export and sales operations.
- Engaged in real estate and private lending activities.

Portfolio & Projects

AI-Powered App Developer Overview:

I am a self-taught developer specializing in Windows applications using Python and PHP, with an emphasis on integrating AI tools like ChatGPT to streamline development. My focus is on efficient data processing (JSON, Excel, CSV) and delivering installer-ready software. Key projects have included lightweight desktop applications for automated reporting and advanced UI solutions.

Educational Attainment

Philippine Maritime Institute (PMI-Manila)

March 1990 – March 1994 | Escolta, Santa Cruz, Manila

- Bachelor of Science in Marine Transportation
- Associate Graduate Student
- ROTC Certificate
- Achieved a 90% GPA
